Dear Ms Steiningerova

On Wednesday I submitted our comments regarding this application onto your system, but we would like to amend them as follows:

"No Objection to the bulk of this application but ask for clarification on reasons for felling the Beech tree. We need a definite referral to the arboriculturist for the tree that is to be felled."

I have resubmitted these comments, but would appreciate if at all possible, you could remove our comments from the 3rd December, please.

Thank you for your kind assistance in this matter.

With kind regards.

Alison Colban
