Dear Mr Clark,

I can hold the application for you until Friday 11th November, to give you a chance to find a tree surgeon once you have returned from your holiday.

If you have any further queries/problems please do not hesitate to let me know.

Many thanks.

Kind regards

Mrs Honney-Bayes.

Hello Siobhan,
 Thank you for your reply and the offer of a period of grace. I have spent the week-end fruitlessly trying to contact a reputable tree surgeon who could turn out at 2 days notice to provide a report for you. Sadly time has caught up on me and our taxi to the airport arrives in an hour. I shall resume my search for a tree surgeon on 5th November but fully understand if your 'period of grace' cannot extend so far into the future.

Regards,
 Graham Clark

For the attention of Mrs S Honney-Bayes,
 Thank you for your email advising us that you require further information, in the form of a written report from a tree surgeon, in order to process our application to reduce the height of our silver birch. You set a deadline of 1st November for us to submit this information or you will cease to continue with our application. I regret that we are unable to meet this (ludicrously short) deadline as we are about to go on holiday. I find it, frankly, quite insulting that my district planning department was unable to reply to previous correspondence for more than 12 months but gives us a mere 2 weeks to act. I copy this email to the clerk to Aldwick Council as she was helpful in obtaining the information we requested from you over a year ago. On my return from holiday I will consider how I next proceed. If I must I shall raise the matter with my Member of Parliament and the Local government Omnibudsman.
