Dear Mrs Chapman,

Thank you for your email enclosing the recommendations from Mr Lloyd. I was fortunate enough to be in when he came round so we had a good chat about the trees, which was very helpful. I am more than happy to accept his recommendations as we wish to preserve as much of the trees as is possible but have to prune back to clear the neighbour's house.

I look forward to hearing from you as to when we can commence the works. Also once permission is granted is there any time frame in which the works should be carried out ?

Kind regards
David

Dear Mr Gerrie,

Please find attached recommendation from the Council's Tree Officer, Mr Lloyd.

Whilst he has raised no objection to the removal of the Beech tree T1 he has recommended a lesser reduction for the Beech tree T2. If you are happy to accept this recommendation I can amend the application and this can be recommended for approval.

Please advise.

Regards
