

FRONT GARDEN

Note the trees are named & numbered (F for front garden)

F1 - Cherry	Remove dead branches – cut back to branches to balance tree shape.
F2 - Maple	Cut back by 1 metre to keep tree in shape
F3 – Portuguese Laurel	No works
F4 - Conifer	Cut back die-back as much as possible. Not sure how long this tree will live but will try and keep it another year.
F5 – Dead Oak tree covered in ivy.	No works
F6 - Holly Oak	Reduce height by 1 metre. Face by 1 to 1 metre to reduce overhang on drive ensuring tree remains in good shape.
