Dear Mr Denton,

Thank you for your response to my questions.

Frankly, I am not concerned about previous Applications elsewhere in the District and the way they have been handled by the Department.

I again refer you to the previous emails on this matter for 40 Kingsway. In your email to me of the 20th December last timed 15.29 hrs, you said and I quote "**There will be a decision letter when a decision is made as a result of an Arboricultural Report.**" (my underlining)

All I am requesting now, as before, is to see a copy of an Arboricultural Report and **the resulting Decision Letter** for AW/258/17/TC.

Yours sincerely
Ian Jefferies

Dear Mr Jefferies,

Thank you for your email. As the application relates to the notification of intention to perform works to a tree in a conservation area, and not a tree covered by a T.P.O, under Section 211 of the Town and Country Planning Act, once the 6 week period has expired, the works can go ahead.

I am seeking my managers support on a decision to decide all of the old Section 211 applications, as they have expired long ago, and it seems ineffective to have all of the expired applications still undecided, when they have likely already gone ahead. Dependent on the outcome of this decision, the estimated decision date may vary.

Regards,

Z Denton

Dear Mr Denton

I refer to the previous emails of below.

This Application of **September last** at 40 Kingsway still contains no Decision Letter on file and is therefore still on the Arun Website. I can't believe it is intended to leave it that way. **Surely you need to close it with a decision letter of some sort**, it cannot stay on-line for ever.

In similar vein, AW/243/17/TC of **last August/September** at 22 Kingsway is still outstanding without a conclusion yet. Has the Applicant again been told he may proceed with the works.? **Please tell me** what the status is and when the file will be closed.

Yours sincerely
