Dear Mr Denton,

Thank you for publishing the final documentation for **AW/243/17/TC** at 22 Kingsway.

Also many thanks for the publication of the closing documents for **AW/258/17/TC** at 40 Kingsway and **AW/363/17/TC** at Craig Rock Cottage, 28 The Drive.

These actions on the first and second of the above, following guidance from Mr Crowther, establish the requirement for Reports and Decision letters to be completed for Applications where a tree Officer has not necessarily been called for an opinion.

Kind regards.
Ian Jefferies
Deputy Chairman CHECAA.
