Hi Pete.

Thanks. Nice to hear from you.

We don't often get the Aldwick Parish Council comments to be honest as they only seem to respond when it's an objection. Indeed, I've just looked at their 29th October Minutes and see that they debated it with the result:

Decision: NO OBJECTION

Members emphasised that they had no objection providing that WSCC visibility requirements were met.

There are also consultation responses outstanding from our ecologist, environmental health and tree officer. I am unsure why we decided to consult Ecology and Env Health. However, the tree response will certainly be important.

I don't have the file with me today so will have a think and get back to you.

Kind Regards

Hi Simon

Hope all is well with you.

Just wanted to catch up on the above and see whether you have had the opportunity to consider further? Note a couple of consultations, which are positive, but await the Parish comments.

Kind regards,
Peter

Hi Pete,

None of your plans have come out correctly in respect of the extent of the existing no. 10 (as I assume there is no proposal to demolish part of no. 10). See attached one of your plans that I have red ringed to show the issue.

Kind Regards
