Hi Lee

Thank you for your email with attached photographs.

Please accept my apologies for the late acknowledgement.

The work proposal, agreed at the time of our site meeting 2nd April 2019 and detailed below; was discussed nearer the time with Simon Davis / Planning Case Officer and accepted in principle.

I await your suggested date/time for the pre-commencement site meeting (condition 4).

Kind regards,

Mark

Hi Mark

Thank you for your time and advice on Tuesday morning, please find attached photos of the leylandii trees we discussed to be removed and also photos of the large rockery to be removed to allow access for the tree surgeons equipment.

If you require any further information or photos, please let me know.

The tree surgeon is lined up to start on the 25th April and we will contact you again after the works are carried out to arrange a pre start site meeting.

Kind Regards

Lee
