Hi Nick,

Thank you for providing the amended plans. However, the last plan is still split over two pages, could this please be amended? Along with this, the block plan requires dimensions from the proposed extensions to all site boundaries. I have attached your block plan above.

Kind Regards
Iqraa Malik

Hi Iqraa. Turns out not to be so easy as I hoped.

I am unable to put all the floor views on one page with the software I have. The attached are now scaled all to fit on one page, so I am hopeful you can find this acceptable for a planning application stage.
I could print and cut and paste on to one page I guess, but would lose resolution? Would that help?

I have made sure the Boundary dimensions are included as well on the ground floor and roof layouts.

Please let me know if these details will suffice. Thanks

Best wishes

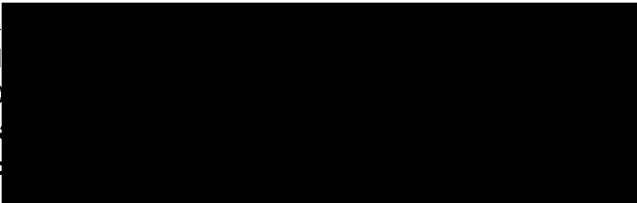

Hi Nick,

Yes, that's no problem. Please provide the additional information by 20th August.

Kind Regards
Iqraa Malik

Hi Iqraa.

I am working on these new drawings, but have just seen the date they need to be submitted was yesterday.
Can you extend this for a week please so I can get them to you.

Thank you.

Regards
