Mr S Davis

16th February 2015

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

3 No. externally illuminated fascia signs, 2 No. non illuminated fascia signs & 2 No. non illuminated panel signs to various elevations (resubmission following AW/215/14/A).

The Ship Inn Aldwick Street Aldwick

Thank you for your internet representation made on 16th February 2015 which has been recorded as '**an objection**' with the comments as follows:

Morrisons have made it very clear that they have ruined The Ship and made it a convenience store by the obvious photographs of food in the window, they do not need any more signs for an unwanted shop. I object strongly to the use of illuminated signs which will shine into neighbouring houses preventing sleep and an intrusion into privacy with this type of light, which could in turn cause health problems linked to lack of sleep. The Ship and the surrounding village street scene is part of the Sussex area and should not be further ruined with signs which are not needed or in keeping. Morrisons obviously feel that as the store is unwanted by the local community they will try to attract passing trade and even more cars etc. to this very dangerous piece of road. It would have been better if planning permission for the store had been refused and if the Council followed the example of Sherbourne in Dorset for ensuring that no commercial venture spoiled the view of the town.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
