In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 25th March 2015. Whilst every endeavour will be made to still reach a decision on your application within the statutory time it may not be possible to meet this timescale because the application is to be determined at the April 22nd Committee and will therefore go out of time before the meeting is held.

I am therefore writing to ask you to formally agree to extend the period for deciding your application until 24th April 2015.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 8th April 2015. Please retain a copy of my letter for your records.

If you agree to the extension of time, an appeal against non determination cannot be made until that extended period has elapsed.

Yours sincerely
