Dear Mr Rigg,

I have just received comments regarding your application for works to trees at 43 The Drive, Aldwick.

As it stands, the application is set to be refused, however, the tree officer has suggested alternate works that would allow the application to be looked upon more favourably.

As opposed to the current proposal to perform a 4m Crown reduction and a 30% Crown thinning, the works would be a 1m crown reduction and a 15% Crown thinning.

Do you accept the change of works?

Please reply within a week so I can change this for you.

Yours sincerely,

Z Denton
