I visited this location yesterday. I was able to undertake a close inspection of the birch tree (T7).

Having subsequently undertaken a desktop review of Tree Preservation Orders which affect this plot, I am satisfied this tree is not a subject of either.

Furthermore, I do not consider it of sufficient merit to justify the making of an individual Order to control its management.

**My recommendation is that the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.**
