Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Application No: AW/264/20/CLP

Site Address: 4 Shorecroft Aldwick PO21 4AS

Description of works: Lawful development certificate for a proposed single storey rear extension and loft conversion with rear dormer window and rooflights.

Thank you for your internet representation made on 3rd November 2020 which has been recorded as an objection with the comments as follows:

OWPC30936

We have received information of a planning application for the above mentioned property. We understand the application is for a number of external changes, but of particular interest to us as residents of the Aldwick Place Estate, are the changes to the roof which includes dormer windows that will project from the existing roof line.

This would have a devastating impact on the surrounding properties as their privacy would be completely compromised, and it would create a major intrusion into the pleasure they have a right to enjoy from their homes. It is such a huge alteration that it would affect properties such as ours although we are some distance away, as the height of the dormer windows would mean we are overlooked.

We are also opposed to what would effectively be the creation of a three storey building on the Estate, this would be completely out of character with the rest of the properties, therefore we consider it to be totally inappropriate.

The application for an extension to the ground floor we have no objection to, as this hopefully would have no adverse impact on neighbours, which we consider to be of utmost importance to the wellbeing of the residents of the Aldwick Place Estate.

Your views as made above will be considered before the application is determined.
