Subject: AW/264/20/CLP 4 Shorecroft Aldwick Place

Good Morning

From L Hopkins 1 Hornbeam Close Aldwick Place PO21 4AH

I wish to object to the proposal for a rear dormer under the planning application listed above. I believe this application is out of keeping with the Estate as there are no houses that have been developed with a large structure placed within the roofline to form three floors of living accommodation. You will see from the attached photo (taken from my bedroom window) that the original design of 4 Shorecroft (which is the cream sided house set back) is visible from Hornbeam Close, Wallfield and Shorecroft with the exception of four houses in Shorecroft all the other

properties in these roads are bungalows which will make the dorma even more out of keeping.

Kind regards

Lorraine Hopkins
