Fell 1 No. Sycamore Tree at Trotyn Croft

The tree was inspected by the Tree Officer Mark Warwick and myself on September the 20th.

The tree is suffering with Bleeding Canker, excessive rot and it has already shed a limb into a neighbouring tree along with a large amount of dieback in the upper canopy.

It was decided by both the Tree Officer and myself that it would not recover from any surgery and Felling would be the best option.

Yours sincerely

Chris Matthews

Please note Conservation Area Planning rules or T.P.O 's (Tree Preservation Orders) may apply to some tree's requiring Local Authority consent, We always check to make sure there is no restrictions on tree's before work can be carried out. If planning is necessary please be aware this process can take up to 6-8 weeks to get approval.
