Dr Gavin Walker

ARBORICULTURAL IMPLICATIONS

Client Contact Details: Amanda Stone, 117 Barrack Lane, Aldwick, Bognor Regis, West Sussex. PO21 4ED.

Date Advice Sent: 27rd July 2018
Surveyor: Dr Gavin Walker

Proposed Works – Front & Garden:

T1. HAWTHORN REDUCTION: Complete a sympathetic reduction on the Hawthorn of approximately 4 ft (c.1.5m) to restore a more compact shape.

T2-T5. CONIFER REDUCTION: These mature trees are in need of a sympathetic reduction of approximately 6ft (c.2m) from the top and approximately 4 ft (c.1.5m) from the sides. This includes the side facing the road and the side nearest the house. Cut back the trees to provide a gap near the windows and side of the roof.

T6. SYCAMORE REDUCTION: This mature tree is in need of a sympathetic reduction of approximately 6ft (c.2m) from the top and approximately 4 ft (c.1.5m) from the sides. This includes the side facing the road and the side nearest the house. Cut back the tree to provide a gap near the windows and side of the roof.

Work Schedule – Rear Garden:

T7. HOLLY TREE: Reshape (1.5m crown reduction) this tree into a more rounded shape but ensuring the height is retained for privacy.

T8. HIMALAYAN CEDAR: The client would like some of the lateral branches being reduced by approximately 4ft (1.5m) to an appropriate growth point. Also try to remove the creeper that has grown from the Leylandii hedge into the crown of the Cedar.

T9. LEYLANDII HEDGE: Reduce the height of this hedge by approximately 3ft (c.1m).

All brash & branches to be disposed of sustainably at Stubbs Copse Woodyard near Arundel. Clear up all arisings and leave the site clean from all debris. Careful tree surgery is required due to the close proximity of the road, fence and various garden features. Our experienced and fully trained arborist will ensure that all cuts made are clean and too high arboricultural standards and complying with BS3998:2010.

Additional Notes:

- All work is undertaken by fully trained NPTC professionals. Public Liability & Employer's Liability insurance is provided up to £5 million.
- If you wish to accept or discuss this quote; contact Gavin Walker on 07840 816716 or woodsmentreeservices@gmail.com

- This quote has been prepared based on an initial 15 minute site survey. Any unforeseen hazards or problems resulting in additional costs will be discussed with the client before any additional work is undertaken.
