Hi Nicola,

Many thanks for your note, I attach the further information you require and trust this suffices to complete the application.

The reasons we are applying to crop the tree are,

1. Safety – the tree has grown to a very large size – by far the biggest on the entire Grangewood Estate – and we fear in high winds that the tree in its entirety of branches may fall and damage property (ours and our neighbour) as it is close to both our houses
2. Light – the tree blocks light to many houses
3. Roots – these have expanded in both and our neighbours gardens and are surface visible
4. Leaves and 'cotton' fall is significant

The main reason is safety hence wanting to reduce it in size to a reasonable, say, 12-13 metres, rather than loose the tree in its entirety

Thank-you
Antonio
