Proposed Demolition Works

Please describe the building(s) to be demolished

Three storey former hotel Montrose Hotel (currently vacant) built c.1920. The building is of traditional construction with masonry external walls and flat felt covered roofs.

Please state the reasons why demolition needs to take place

Proposed redevelopment of the site.

Please describe the proposed method of demolition

A combination of hand tools and small mechanical equipment will be used. Please refer to the attached Demolition Method Statement for more details.

How and where would spoil/rubble be disposed of?

Refer to the site waste management plan within the Demolition Method Statement. Asbestos-containing materials will be handled and disposed of by a licensed contractor at an authorized facility. Inert masonry and concrete will be crushed on-site using a crushing bucket and reused as a site covering for the construction phase. Recyclable materials will be transported to the nearest recycling facility, while the remaining waste will be removed via a skip truck.

Please provide details of the proposed restoration of the site
