Dear Dominique,

I write to you with respects to the above application. I note the application form states that the intention is to begin demolition works on 29/11/24. However, the submitted site notice regards the commencement date to be 06/01/25. Could you please confirm the correct intended date?

Additionally, Schedule 2, Part 11, Class B (B.2) of The Town and Country Planning (General Permitted Development) (England) Order 2015 states the following:

*‘(iv) subject to paragraph (b)(v), the applicant must display a site notice by site display on or near the land on which the building to be demolished is sited and must leave the notice in place for not less than 21 days in the period of 28 days beginning with the date on which the application was submitted to the Local planning Authority;’*

Could you please confirm the site notice submitted with this application was in place on 22/10/24 (the date on which this application was submitted) and that it has not through fault or intention of the applicant, been removed, obscured or defaced?

Please confirm as soon as possible.

Note – I am on leave from 18-25<sup>th</sup> of November.

Many thanks,
