Ref: Planning Application Resubmission AW/110/11

Dear Sir,

Please accept this letter as our **strong objections** to this application as follows:-

Whoever is responsible have once again listed our personal house address as the site address. They have no right what-so-ever to do this. Herongate's garage is located and accessed via Contisbury Road and has nothing to do with my address.

We would appreciate immediate action to get this corrected forthwith.

Additionally. We **strongly object** to the obvious inconvenience and repercussions stemming from the demolition and construction phases and the ultimate ensuing loss of privacy due to trying to wedge a house into an already very congested area.

I trust that these objection are taken into full consideration.

Your confirmation by return of post will be appreciated.

John A. Wood
