I attach an amended plan with front tiled gables. Is this what you were asking for? Let me know if it's not.

I have shortened the bedroom window frame to balance the elevation.

If this isn't the solution maybe a hand sketch would help.

I confirm my agreement to a Planning Extension of Time as requested.

Dear Mr Butcher,

I am emailing regarding application AW/26/20/HH for 61 Queen Fields West. I have had an email explaining the application is going to be called to committee if we are recommending approval conditionally. As such I have spoken to the head of planning regarding this application, he has asked me to get the roof changed a further time on the application. In order to follow other front elevations can the plans show a forward facing gable with a pitched roof? As the application will be going to committee can you agree to an extension of time until the 29th of May as the next committee is the 27th of May due to April Committee being cancelled due to Covid 19.

Kind regards

Finlay Gardner
