Hi

Thank you for your patience.

After taking advice from the builders I would like to use the following materials:

- for brick: Tradesman Cheviot bricks, made by Ibstock. These match perfectly with existing bricks at No. 26 Christchurch Crescent and I've been assured by the builders that they are widely used and of top quality. Here is a link to manufacturer's website:
<https://www.ibstockbrick.co.uk/brick-selector/?p=A0385A>
- For tile: Marley Anglia range, Old English Dark Red tiles. These are widely used in the area and match extremely well with neighbouring properties. Link here:

Thank you again for your help in this matter.

Regards,

Gabriel

Dear Gabriel

Thank you for speaking with me this morning.

As I explained, I have the samples you submitted but I need the specific colour details for both – there are about 15 red-brick colours for London Brick and 4 Redland Pantile colours in the ranges. I do not need you to submit more samples thank you as we have quite a few here, if you could please just confirm the colour name for each that will be fine.

After today I am not back in the office until next Tuesday but if you have any questions please don't hesitate to email me and I will answer as soon as I can.

Yours sincerely

Samantha
