Hello Silvie,

Absolutely, please remove works to T5 in order to process the application and I will not reduce this tree in the work schedule.

Many thanks,

Paul

Good morning,

I am the case officer for the above application and am writing to inform you that I have received comments from the Council's Tree Officer following his inspection of the trees in question.

The Tree Officer is supportive of the majority of the proposed works, however, he has advised that the works to tree T5 (Sycamore) are not justified on arboricultural grounds. He considers that the proposed works would cause undue harm to the tree and result in a loss of visual amenity.

Would you be willing to remove this tree from the application? This would enable us to proceed with approval for the remainder of the proposed tree works. I have attached his full comments for reference.

Please let me know by the end of 14th January.

Kind regards,

Silvie Steiningerova
