Kathryn thank you for kind help... I have adjusted/modified drawings as per your suggestion's.

porch 3m x 1m ...2.2m to eaves.....Antique red Marley plain tile 265 x 165mm as per existing building.....and Block paved driveway (we were planning on this)just missed it off. We understand about the drain off on solid concrete.

Attached drawing 003...and 010...adjusted .

Thank you again.

Rgds Phil.

Dear Mr Woolger,

Many thanks for these items, this are far more comprehensive.

Just a few more items that I require in order to request the sign off for you project, these are;

- The porch is slightly too large, to be covered by PD rights the maximum allowance is 3m² and your proposal currently measures at 3.84m² can you adjust this on plans 010 and 003.
- Can I have confirmation of the height to the eaves for the extension, either via email or included within a plan,
- Can you confirm that the extensions will be built of materials to match the existing property. You've noted a concrete slate tile on the roof of the extension; do you already have these on the existing house or can you amend to something similar to the existing,
- Can you confirm the proposed hardstanding for 2-3 cars will be built of either porous materials or will drain off to water permeable area within the site, again just a written confirmation will suffice.

Many thanks,

Kathryn

Kathryn hope I find you well, and I hope you are the person handling our project 8 Fernhurst Gardens.

Attached our my changed plans showing dimensions as I think you requested and also a site plan of garage to building.

If these are not correct please do not hesitate to contact me.

rgds.
