Proposed Demolition Works

Please describe the building(s) to be demolished

The current site contains the former Sandmartins Care Home. The building is a two-storey green pantiled house on King's Parade built c.1930 and home to the author R C Sherriff. More recently it was a care home. The property is situated in a mixed-use area, with residential homes and small commercial establishments in its immediate vicinity.

Please state the reasons why demolition needs to take place

Proposed redevelopment of the site.

Please describe the proposed method of demolition

A combination of hand tools and small mechanical equipment will be used. Please refer to the attached Demolition Management Plan for more details.

How and where would spoil/rubble be disposed of?

Refer to the site waste management plan within the Demolition Management Plan. Asbestos-containing materials will be handled and disposed of by a licensed contractor at an authorized facility. Materials will be reused on-site wherever possible to lower embodied carbon with an aim to re-use at least 20% of the demolition materials. Recyclable materials will be transported to the nearest recycling facility, while the remaining waste will be removed via a skip truck.

Please provide details of the proposed restoration of the site
