

Attached Sheet no. 1

Application for Tree Work, by Kenneth Keep, 45 The Drive, Bognor Regis PO21 4DS.

ITEM 7 – Identification of Trees and Description of Works

Specimen domed-shaped yew tree (T6) 5m high. Only tree subject to Craigweil General pre-1958 TPO. Re-shape by cutting back new growth of up to 100mm all round dome shape and raise crown (skirt) to 300mm from ground. Reason – to maintain historical dome shape to fine specimen tree, originally part of “Yew Tree Walk”.
