Dear Mr Bentley

Please could you also clarify the proposed height and spread measurement of T2 – Mature Holly.

Kind Regards

Nicky Moore

Dear Neil

I can confirm that the Holly T2 and the Hawthorn T3 did not exist in 1958.

The Proposed Height and Spread measurements are provided in the application and are as follows

T1 Height reduction of 1.5m and spread reduction of 0.5m (estimated final height 10m and final total spread 6m)

T4 Height reduction of 1.5m and spread of 0.5m (estimated final height 8m and final total spread 5m)

I hope this helps

Kind regards

John
