Attention Mrs J Chapman.

Your ref: AW/274/14/HH

Dear Mrs Chapman:

I am writing on behalf of and with the approval of Mrs Audrey Davies of 9 Aldwick Avenue, Aldwick.

Mrs Davies is my wife's elderly aunt who scarcely ever leaves the house these days, and is the only person who could possibly be affected by the planning application referred to above.

The first she knew of this application was when she received a note on October 28th from Aldwick Parish Council telling her that the application would be considered at their planning meeting on October 27th. You can well imagine that this came as a complete surprise and shock to Mrs Davies.

I do not know when the site notice was first displayed, but of course Mrs Davies has not seen it.

I am sorry that Arun District Council did not write to Mrs Davies to tell her of this application. It would have saved her a great deal of anxiety.

I have now discussed the matter with her and she has no objection to the application.

I look forward to your reply.

Yours

Andrew Isaac
