

REASONS FOR PROPOSED TREE WORK

T2 Pedunculate oak along the north fence line of the garaging to the east of 41 Old Place

Reduce apical and lateral spread by a maximum of 1.5m

Current height 15.0m

Finished height 13.5m

	<u>Current branch length</u>	<u>Finished branch length</u>
North	6.0m	4.5m
East	6.0m	4.5m
South	7.5m	6.0m
West	2.0m	2.0m

In line with BS3998:2010 Tree Work – Recommendations, suitable growth points will dictate the final point of pruning and as such the measurements supplied may vary

The tree cast a tremendous amount of shade into the garden and living space of 15 Westminster Drive and as such the applicant would like to undertake a crown volume reduction to both trees to abate the nuisance being caused.

The measurements were taken using a TruPulse laser clinometer however, the final pruning points will be dictated by their availability/suitability and as such the measurements may vary.
