Dear Mr Hitch,

I have just received Arboricultural comments regarding your application for tree surgery at 2 Shipfield Street, Bognor Regis.

As it stands, the application is set to be refused as it is believed that the works would undermine the trees visual amenity value and remove almost all live foliage in one go.

However, the Tree Officer has made an advisory that would allow you to "*Crown reduce and reshape overall by no more 3m*".

Do you accept the advised works?

Please reply within 2 weeks.

Yours sincerely,

A Willard
