Hi Mark,

If you can pop the ref 1110 in the CIL ref that will be great. Its invalid without it!

Thanks
Julie

Hi Mark,

That's ok, caught in time then! Yes, although you have annex exemption, you are still required to submit the Form 6 beforehand. I'll then acknowledge it and you cant start!

If you know what date you are commencing, send the form in now and state the date. The CIL ref is 1110.

Thanks
Julie

Hi Julie,

They haven't quite started yet - early next week, I had to have the first inspection 5 days before the start. Sorry it's all new to me!

I don't recall that notice so I'll find it and complete it - I thought there was an exemption so I must have assumed there was nothing to action

thx

Mark

Dear Mr Butt,

I hope this email finds you well?

We have had notification from Building Control that works have commenced.

This is just a little courtesy reminder that you must submit a Form 6 Commencement Notice for CIL purposes **before** you commence works, as per the demand notice sent on the 18th October. Failure to submit this may result in surcharges being payable.

Any questions regarding this, please do not hesitate to contact me.

Kind regards,
Julie
