Dear Natalie,

Site notices were posted at the site on Tuesday and the consultation period doesn't expire until the 26th December 2018. You will note that this date is longer than the normal consultation period. This is because there was an error in that weekly list did not get advertised in the West Sussex Gazette last week. The application will therefore be in the paper this week and as such it was necessary to extend the no decision before by date.

Kind Regards
