Dear Sir,

Planning regarding 261 Aldwick Road.

My objections are -

Loss of privacy - no consideration to existing neighbours privacy resulting from plans 3 and 4. Why not have just the one building i.e. 3 and 4 built where 1 and 2 are planned and where 261 stands; then it would effect no one. The properties on this estate are privately owned - this is not a housing estate!

Devaluation of adjoining property

Damage to existing protected trees.

Please reconsider the plans.

Yours faithfully
J. Nash (Mrs)
