Peter

Thank you for meeting on site earlier today, principally to discuss sensitive working around/tree protection measures for retained trees on/off site.

I understand you are taking possession of the site towards the middle of next week and hope to have the tree protective fencing and ground protection in place shortly after. Once you have a date for that, please contact me directly and I will attend promptly to inspect the same. At that time, it would be helpful to agree a schedule of Site Monitoring/Supervision visits for your project arboriculturist, so as to satisfy both those elements of condition 4 - AW/279/18/RES.

Kind regards,

Mark

Mark Warwick | Tree Officer, Greenspace, Arun District Council | Location: Bognor Regis Town Hall, Clarence Road, Bognor Regis, West Sussex, PO21 1LD

Good Afternoon Simon

I have just Joined Knightsgate UK to run the new site at 126 Aldwick Road Bognor.

I Believe you are the case officer for this project which is why i am contacting you.

We have had all the Tree protection plan done by a reputable company with all the relevant paper work issued and put in place so we would like to Book a meeting with your tree protection officer so we can proceed forward with the project, could you contact me with the requirements for the meeting so i can have these in place ready. perhaps you can contact me so we can possibly make end of next week around 5th or 6th June.

kind Regards
