Re: AW/27/15/TC

Dear Mrs Johnson,

Re: Surgery to 2 No Cupressus Macrocarpa at Craig Rock, 21 Craigweil Manor, Bognor Regis PO21 4DJ

Thank you for your letter of 2nd February 2015 that is attached for your reference.

As requested, please amend the description of the works as follows:

Cupressus Macrocarpa (T1) - Reduce crown by up to 3m to reduce excessive shading & remove dead wood
Cupressus Macrocarpa (T2) - Reduce crown height by up to 2.5m to reduce excessive shading & remove dead wood

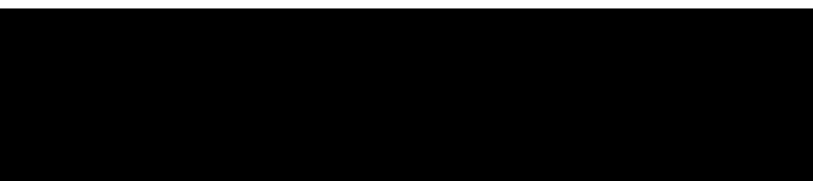

It is understood that it is important to retain a suitable growth point when pruning this species and we would be happy to include a note to this effect within the description if you feel it may appropriate.

Should you have any queries or require and further information please do not hesitate to contact me directly.

Kind regards,

Alex.

Alex Burrows
