Dear Richard

Further to our conversation regarding planning application for No5 The Court Yard Aldwick
It would be appreciated if you would process the objection Thank you Michael Laight

I oppose this planning application to change the garage to a dwelling and a dormer window because

1. No5 has no legal parking space in the Court Yard except for the garage and a small space in front Therefore if the garage has change of use where does No5 propose to park?
2. As No5 has no legal space except small area in front of the garage Where does No5 propose to park the builders Vans lorry's The Cobbled surface is very delicate Where does No5 propose to put skip builders materials etc
3. The Court Yard is designated "Site of Special Interest" It would be detrimental to the character of the court yard
