29th Sept 2020

Dear Bob

Thank you for getting me over to take a look at the trees interfering with Lamp Posts around the Craigweil estate.

I report on the following trees,

T1 Silver Maple on the Drive by the passage way to the sea - Prune interfering branches to leave 1m clearance from lamp.

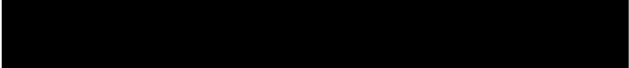

T2 & T3 Two x Lime trees outside No. 42 Kingsway – Remove the two lowest limbs on both trees to encourage a higher canopy.

T4 Sycamore tree at the junction of Kingsway and Queensway – Prune back to give 1m clearance around the lamp.

G5 Group of shrubs and trees at the junction of Kingsway and Wychwood close – Prune surrounding growth to create 1m clearance around the lamp.

The above works will pose very little stress on the trees affected and I hope it will help in maintaining the effectiveness of the lamps on the estate. Please don't hesitate to get in touch if you have any questions.

Yours sincerely

John Bentley N
