Dear Bob,

I enclose the following recommendations to trees you have brought to my attention.

1 –

2 –

3 –

4 - 2 x Sycamore trees within the grounds of no 47 Kingsway.

Reduce to most southerly tree by 2 mtrs in height and reshape the easterly lateral spread. The smaller Sycamore on the west boundary can be reduced by 1 mtr as has been done in the past.

5 –.

I hope the above recommendations are helpful

Regards

John Bentley (signed)
