Dear Sirs.

I wish to submit my strong objection to the Planning Application to extend the fence to the end of the grass verge on 33 Churchill Avenue West Meads.

This is totally out of character to the rest of the Estate. West Meads is a Garden Estate. Other applications have been turned down for fences in the front of the properties.

If the application is carried it will set a precedent and our lovely open plan Garden Estate will no longer exist. We take a pride in our Estate and we do not want to see it all filled in with high fence which will drastically reduce the value of the existing properties and completely change the character of the estate.

Yours Sincerely,

On 09/12/12, the Planning Committee considered the application and resolved to grant the application subject to the following conditions:

1. The fence shall be constructed in accordance with the approved plans.

2. The fence shall be constructed in accordance with the approved plans.

3. The fence shall be constructed in accordance with the approved plans.

Yours faithfully,
