Dear Sir/Madam

Application for Planning Permission for Works to my Oak Trees (1958 TPO)

Planning Portal Ref: 02986412 dated 01/11/2013

Your Ref: AW/285/13/T

Thank you for your emailed correspondence dated 6th November 2013 regarding my recent application, your ref AW/285/13/T.

The supplementary information you requested in your correspondence *"Please could you provide the exact measurements of all proposed tree surgery in metres"* ...

I am pleased to be able to provide the following measurements for the proposed works:

1. Works to over extended limb to the south-west: to reduce the length from approximately 7 metres from the centre of the tree to approximately 3 metres from the centre of the tree.
2. Removing dead wood:
 - a. there is a decaying secondary stem at approximately 2.1 metres from ground level and it is proposed to cut it back to sound tissue at this level,
 - b. there is numerous dead wood in the entire canopy at a height from approx. 2.5 metres from ground level and it is proposed to remove this dead wood where possible.
3. Raising the crown: to raise the crown to an approximate level of about 3 metres from ground level instead of the current approximately 2 metres from ground level.

Yours Sincerely

David Sturrock
