Subject: RE: AW/285/17/T

Hello Amber

Bernie has come back with a dimension of 1m to 2.5m maximum limb reduction works for T4.

Regards
Richard

Subject: AW/285/17/T

Hello Richard,

I have received an arboricultural response from Bernie regarding AW/285/17/T whereby he has refused part of the application.

I am contacting the applicant for a revised description and Bernie has provided an advisory however it does not state how much length is acceptable to be removed.

Is it possible for a revised advisory?

Thanks

Amber Willard
