Dear Mrs Johnson,

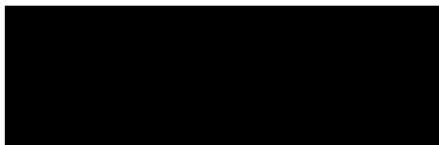

Ref: AW/286/12/T

Thank you for your email today. I have drawn a plan of the maximum branch cuts to the tree in four directions. The cuts vary between 0 and the maximum listed on the attached plan.

As indicated on the photographs included with the application, the maximum length of cut is about 10% of the trimming and 60% will be less than half that.

I hope this is sufficient information and that replying electronically is acceptable.

Yours sincerely,

Alan P Foster
