Dear Simon

276 Aldwick Road - AW/28/19/PL

I refer to the above application for which I believe you are the allocated case officer.

I have seen there are a number of representations made by third parties on the Council's website, the majority of which relate to the duck pond to the south-west of the application site. This application for a single chalet style dwelling on land to the rear of 276 Aldwick Road in no way effects the setting of the duck pond, as the proposals are whole contained within the domestic garden of the host house. I note WSCC Highways have no objection to the proposals subject to the imposition of standard conditions, of which we are happy to agree.

I would be grateful if you could let me have your feedback on the application in due course and prior to making any recommendation on the proposal.

Kind regards,
Natalie
