Subject: FW: Response E-mail - Application for Highway boundary information

Hi Simon,

I consulted a colleague regarding the bellmouth at Aldwick Duck Pond for application AW/28/19/PL. Here is her response.

Many thanks

Kyran

Subject: Response E-mail - Application for Highway boundary information

Dear Kyran,

Application for Highway boundary information
Our reference: DPRCE-3-78834
Your reference: AW/28/19/PL

Having checked my records, I can confirm that this area of land was once the original route of the B2166, and was probably used as a turning area/Farm access before the development of Margaret Close took place. I attach a plan showing historic mapping at this site and a plan attached to the Field Sheet of the footway.

I also attach a plan showing West Sussex County Council ownership at this location for land which was bought for highway improvements, possibly to straighten the B2166.

I hope this will clarify the position.

Kind regards,

The Local Land Charges Team

This reply is specific to the above mentioned property/area and cannot be relied upon for use on any other property/area. Information about the status of a highway, and in some circumstances the extent of the highway, may be taken from a number of sources held by the County Council. Unless taken from a legal agreement the information should be regarded as guidance only. This is particularly important when there are legal consequences arising from information shown on any plan attached to this letter. If you would like further details or have any information which you feel the County Council should consider please write to the contact above.

This email and any attachments are confidential and intended solely for the persons addressed. If it has come to you in error please reply to advise us but you should not read it, copy it, show it to anyone else nor make any other use of its content. West Sussex County Council takes steps to ensure emails and attachments are virus-free but you should carry out your own checks before opening any attachment.

1st April 2019

To whom it may concern,

Ordnance Survey Data/Crown Copyright

Further to your request for Ordnance Survey maps, please find enclosed a copy of the information that you require.

Under the terms of our contract with Ordnance Survey, we can provide Crown Copyright maps under Fair Dealing for the purposes of private study, research, criticism or review. There are however firm restrictions on the use on this information, which you must also observe or we will both be liable for legal action:

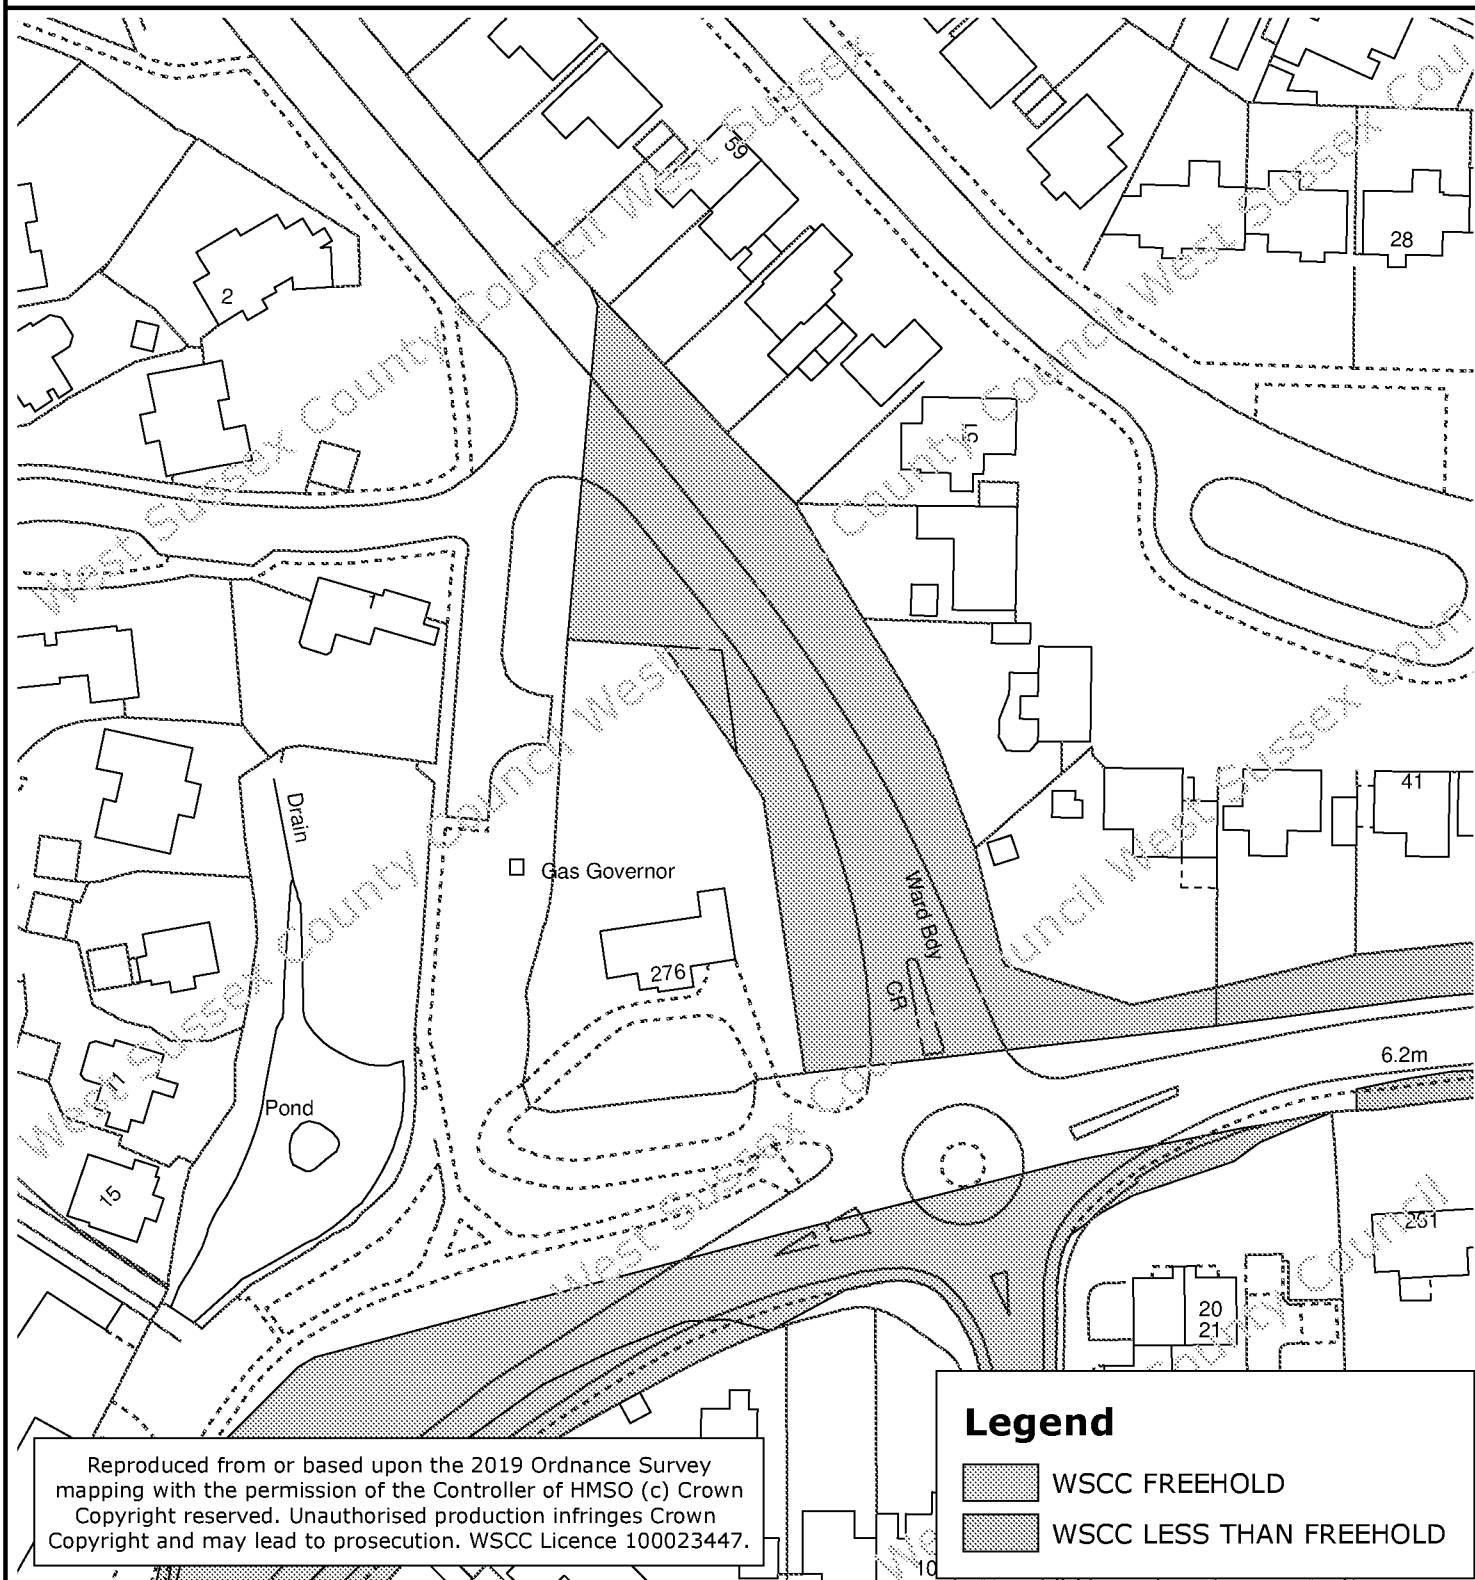

1. The data must only be used for the project and purpose for which it was supplied, and be returned or destroyed once the project is complete
2. It is commercial data, and appropriate care must be taken ensure its security
3. Permission and an additional licence must be obtained from Ordnance Survey before any copies are published or passed on.

Yours faithfully,

Land and Property Information Team
