Dear Natalie,

Thank you for this. Could we agree an extension until the 07 June to allow time for receipt of the report and consultation with our ecologist. Also note that it is my intention to try and get this on our Committee for the 5th June. However, please note that I have 7 applications to do for that Committee and yours is 5th oldest with the 4 before yours being majors. I am working solely on Committee items from next week until the 16th May. If I am unable to get yours done in time then the next Meeting is the 10th July.

Kind Regards

Dear Simon,

I wanted to provide you with an update in terms of the required ecological survey at 276 Aldwick Road.

Lizard Landscape have carried out the Phase 1 survey requested and have provided these initial comments whilst the report is prepared, see attached. The report will be finalised and forward to you within the next fortnight. If you wish to agree to an extension of time please let me know.

Kind regards,
Natalie
