Dear Mark,

I am emailing further to my previous emails regarding the outstanding comments on the additional tree information for the above application and would be most grateful if you could respond to me to let me know when you are likely to be able to deal with this ? Given that the additional information was submitted 8 weeks ago it seems reasonable to ask that you respond to my email this week in order that we can update the applicant.

I look forward to hearing from you.

Kind regards,  
Kerry

Hi Simon and mark,

I understand from the Council's solicitor that the legal agreement related to the application should be finalised tomorrow which means that the only outstanding matter is the follow up consultation comments on the additional tree information submitted back in June (18<sup>th</sup>).

Mark -- please can you let us know when you are likely to be able to look at the additional information, which was provided in response to your initial consultation comments, 8 weeks ago.

I look forward to hearing from you.

Best regards,  
Kerry

Hi Simon,

Trust you're well.

I'm emailing in Natalie's absence to ask if you could update me on progress with Mark Warwick's consultation response to the information we submitted over a month ago.

I understand that the Council's solicitor now has the original signed agreement and that the only outstanding matter is the consultation comments on the tree protection information submitted on 18<sup>th</sup> June 2019 – email attached.

I look forward to hearing from you.

Kind regards,

Kerry
