Dear Natalie,

For your information, I have just completed the Committee report for this application (recommending approval). This will now be reviewed next week by my Team Leader and by the Group Head of Planning. I will be asking the Committee to resolve to delegate the decision back to us to enable the legal agreement to be completed (although if it is completed before the 9th October, then the recommendation can be changed by report update). I see no reason why this recommendation will not be accepted by senior colleagues so I would suggest that the report can be 'signed-off' for this Committee Meeting.

You will have also received separately a letter requesting your agreement to our three proposed Pre-Commencement conditions.

Kind Regards
