Dear Mr. Davis

I wonder if you could help in relation to this matter. George Sayer from Lizard Designs has been trying to reach your tree officer, Mark Warwick since August. He has called and emailed many times.

I do appreciate from previous discussion with your office that Mr. Warwick is very busy but we need to progress things forward on this site and cannot do so until we have his agreement on the proposals from our environmental advisers. These are the same advisers on the original application to keep consistency on those involved with the history of this application.

Your assistance is greatly appreciated.

Regards
Claire Goring

Dear Mr. Davis

We have been trying to reach Mark Warwick, your tree warden regarding the above application and haven't been able to do so as yet as our tree surgeon wanted to discuss a few things.

I know he has been very efficient in the past at getting back to us - just checking whether you might know whether he is working or perhaps on furlough? In which case, is there another contact who is covering queries in relation to tree preservation.

Many thanks

Phil Goring
