Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: AW/290/25/HH  
Site Address: 9 Tinghall Aldwick PO21 3RJ  
Description of works: Proposed double storey extension.

Thank you for your internet representation made on 12th January 2026 which has been recorded as an objection with the comments as follows:

OWPC80819

I understand that the applicant does not own the property in question therefore can not make the application yet. Next the digging of the foundation will almost certainly compromise the river bank causing it to collapse and block the flow which would lead to flooding. The chaos caused by the building of this eyesore is beyond that which is reasonable to expect other Tinghall residents to tolerate. In their opening statement they there would no impact on the local area, this is simply not true. As a holder of a disabled parking badge I need access to my car and do not need the road to be blocked by builders trucks, delivery Lorrie's, scaffolding and general building chaos.

Your views as made above will be considered before the application is determined.
